CORPORATION - Suspension of)
Certificate and Order to Show)
Cause)

Case No. MP-78-12

The Compact, Title II, Article XII, Section 9(a) mandates that no certificate of public convenience issued under Section 4 of said Article "... shall remain in force unless the person ... holding such certificate complies with such reasonable regulations as the Commission shall prescribe governing the filing and approval of surety bonds, policies of insurance, and qualifications as a self-insurer ... in such reasonable amount as the Commission may require" See also Commission Regulation 62, as amended by Order No. 1598, served August 25, 1976.

Ironsides Medical Transportation Corporation holds Certificate of Public Convenience and Necessity No. 31. On January 17, 1978, Ironsides filed with the Commission a certificate of insurance evidencing security for the protection of the public in the requisite amounts. On August 15, 1978, the staff of the Commission reminded Ironsides, by letter, that its certificate of insurance would expire on September 4, 1978, and that a renewal certificate should be filed on or before said date. No response has been received, and the said certificate of insurance has expired. Accordingly, Ironsides is in violation of Title II, Article XII, Section 9(a) of the Compact and Commission Regulation 62.

THEREFORE, IT IS ORDERED:

1. That the above-captioned proceeding is instituted pursuant to Title II, Article XII, Section 4(g) of the Compact for the purpose of determining whether Certificate of Public Convenience and Necessity No. 31 of Ironsides Medical Transportation Corporation should be revoked.
2. That Ironsides Medical Transportation Corporation is made a party respondent to the above-captioned proceeding.
3. That Ironsides Medical Transportation Corporation is directed, within 30 days from the date of service hereof, fully to comply with

the provisions of the Compact, Title II, Article XII, Section 9(a) and Commission Regulation 62, and is further directed within the same 30 days to file with the Commission an appropriate certificate of insurance or such other evidence, in writing and under oath, as it may deem pertinent to show good cause why its Certificate of Public Convenience and Necessity No. 31 should not be revoked.

4. That Certificate of Public Convenience and Necessity No. 31 issued to Ironsides Medical Transportation Corporation is suspended until further order of the Commission, and Ironsides Medical Transportation Corporation is directed to cease and desist from transportation subject to the Compact, until further order of the Commission.
